Feedbacks from Students:

Message by Outgoing Students

Through the interactions had with the students following are some of the points that were expressed:

1. Focus more on basics
2. Focus on more job oriented software's.
3. Try to develop students on multidisciplinary Courses and Projects.
4. Include more practical classes than theoretical; this helps to improve the student.
5. Strengthen the Alumni cell for better interaction with Present Batch.
6. Funding should be done for mini and major projects to encourage the students.
7. Students appreciated the efforts of the department in conducting various International Conference, ECOFEST, etc which made them to gain good subjectual and conceptual knowledge, apart from improving their team working capabilities.
8. Students made it very clear that they owe a lot to the faculty of the Dept. for guiding them and inculcating in them good morals and ethics.
