## Report of Guest Lecture on "BigData Analytics" at CSE, KLEF on 13.09.2020.

Mr. Choragudi Hilki Bharath working as Software Engineer in Cape Gemini Technology Chennai, He beared registration number of Y5IT207, He has vast experience in DataBase Management System, Big Data and Data Mining. It is a great Pleasure to have such a emeenient personality to the guest lectire on Big data analtics at our Vijayawada campus on 13.09.2020.

In his presentation III year students and IV year students with staffs were actively participated to enrich their knowledge on BigData. The brief of his presentation has included the following

- Discovery of Data
- Data Preparation
- Data Modelling
- Model Building
- Communication Result and Findings
- Optimazation Techniques.

Mr. Om Prakash P G, Alumni Co-ordinator has delivered a vote of thanks for all the participants and resource people. The head of the department also honered resource person with his valuable words.
