

Alumni Guest Expert Lecture Report-2

Guest Lecture by Dr. Monica Agarwal (2003 batch) on 30th Oct 2020 at 1:30 P.M working as Lecturer, Rensselaer Polytechnic Institute, NYU Polytechnic School of Engineering, Albany, New York Area, USA

Keeping in view of COVID-19 situations a series of Expert lectures were arranged with Dr. Monica Agarwal, Proud Alumni of 2003 batch. She is a Lecturer in Rensselaer Polytechnic Institute, NYU Polytechnics School of Engineering, Albany, New York Area, USA. She has delivered her lectures on “Rapid Blood Tests” to 3rd yr students. Total 82 students have attended the lecture. She explained the students on the recent research areas and different advanced concepts related to Genetic Engineering. Students have interacted well and got their doubts clarified.
