

## **Alumni Guest Lecture Report**

### **Guest Lecture by Mrs. Anitha a Small Scale Business Women on (15<sup>th</sup> March 2021) .**

#### **Mrs. Anitha getting felicitated**

Mrs. Anitha of Y8 Batch has visited our college on 15<sup>th</sup> March 2021 on the eve of Mentor Mentee program. She has initiated her business in food science. A guest lecture was arranged to 3<sup>rd</sup> yr students. She has encouraged the students to involve more in research and to get use of the facilities available at KLU. She suggested that it is one's own choice of interest to settle down in any field. But a lot of hard work is required to compete with the fellow co entrepreneurs to succeed in life. She also shared few merging business ideas where students are well motivated and felt very happy to meet her. Students have interacted well and got their doubts clarified about the carrier development in plant science, food science and nutraceuticals.
