Regards,

Dr S Sudhakar Babu
Faculty In-Charge, Alumni Relations-MED
KLEF

There were a total of **FOURTEEN** members attend the meeting, in which **FOUR** are alumni and remaining are alumni faculty of our department. The alumni who were present listed below:

Alumni Present:

1. **Sandeep (Y6ME282)** - working in Hexagon Capability Centre India (HCCI) at Hyderabad
2. **B Suresh Babu (Y6ME302)** -
3. **Galle Nagarjuna (Y6ME254)** - Sr Design Engineer (R&D), Benz at Bangalore
4. **Avinash (Y6ME208)**

Meeting Report:

The faculty In-Charge welcomed all the participants, viz., alumni, alumni faculty, HoD to the meeting with an obvious reason for formation of alumni association in educational institutions that to support a network of former graduates who will, in turn, help to raise the profile of the university. Further, he mentioned the reason for this gathering that to provide and disseminate information regarding our department strengths and achievements to the Alumni and to let them know the alumni activities which we conduct at our institute. After that, he requested to Dr DVA Ramasastry, Head of the Department (Mechanical Engineering) to present some of the departmental strengths and achievements.

HoD has given a brief report on the department such as different programs offering, students, faculty strengths and achievements, extension/community activities, about top alumni, etc. Further, HoD asked the alumni to introduce themselves to the faculty and senior faculties are requested to talk to the alumni. There was a very good interaction happened between alumni and faculty. Alumni were extremely happy talking to their loved teachers. Later our Ex-HoD, Principal-AFC and Dean-Skilling, Dr A Srinath asked them to come forward and support the department to help the students in presenting guest lectures (technical/motivational), alumni meets, mentor-mentee programs, etc, which in turn helps to grow our institute.
