4. Talk by Dharani– software engineer
Share her college memories in words - A word full of memories I don't know that was the last day am leaving the college. From the nervousness in the first day to the tears in the last day from the successful mass bunk. To requesting for just one last class. From hating a professor for telling. The bitter truth of life. To loving him for never losing faith in us. From not even knowing someone. To becoming the beasties forever. I have grown a lot in this journey. And i always cherish them life long Thank you everyone.
5. Talk by pranav – remember their faculty and college.
