The image displays two screenshots of a Zoom meeting interface. The top screenshot shows a presentation slide titled "GUEST LECTURE" by Ch. Meghana, Programmer Analyst, CTS. The slide content includes:

- opportunities we have in our college.
- About wtn(Wipro Talent Next)
- My interview and work experience so far.

 The bottom screenshot shows a presentation slide titled "Emerging Technologies" by Siva Ram, Pega Developer, Virtusa. The slide content includes:

- Emerging technologies and opportunities

 Both screenshots show the Zoom interface with participants, chat, and controls. The top screenshot shows a participant list with 305 participants, and the bottom screenshot shows a participant list with 381 participants. The chat window in the top screenshot contains a message from Siva Ram: "In the university CRT is going well. The topics are based on coding in which we use languages 'C' and 'python'. Great to know that sanjay!! Good initiation!". The chat window in the bottom screenshot contains a message from Siva Ram: "hey 237 don't sleep. be conscious".
