KL | Department of Alumni Relations

HEARTY WELCOME

ENTREPRENEURS GUILD OF KL ALUMNI

The Professional Body of Entrepreneurs of KL Alumni in India and Abroad

CONCEPT ENABLEMENT MEETING IN HYDERABAD

Date : 18th August, 2021 Wednesday @ 11.00 AM - 12.00 Noon followed by Team Lunch

Venue : Hotel Green Park, Begumpet, Hyderabad

AGENDA & Objectives :

- ☞ To conceptualize a professionally connected common "Networking Platform" for KL Alumni
- ☞ To promote and facilitate mutual Collaborations & Tie-Ups for Advancement
- ☞ To Consolidate mutual knowledge, skills and technological resourcefulness
- ☞ To explore, align and promote developmental initiatives with KL institution and for Alumni on mutual opportunities
- ☞ And to brainstorm any other broader scope on a long-term perspective

With the motive to bring all our alumni entrepreneurs onto one platform for mutual benefit, this professional networking connect was a detailed brain storming session among entrepreneurs to encourage beneficial opportunities among alumni and University for co-sharing of knowledge, skills & technological resources. The Meet was marked successful as some of the successful entrepreneurs from in and around Hyderabad came forward for various developmental activities and initiatives that can become successful in a long term perspective.

Applauding the efforts, President KL University, Er. Koneru Satyanarayana said, "Our alumni have been amongst the most innovative, creative and pioneering figures across. Encouraging entrepreneurship has always been central to our focus and essential component in our approach while grooming students. KL entrepreneurs are successful and leading sectors across domains. We foster relations with our alumni so that they come back, collaborate and share their insights with the next generation.

Dr. G.P.Saradhi Varma, In-Charge Vice Chancellor, KL Deemed to be University.

Event started with welcome note from Dr PVRD Prasada Rao (Associate Dean), Sr. Director-Alumni Relations & Advisor-HR Dr. Kandepu Rajasekhar spoke about objectives of this GUILD, How this platform will provide mutual benefit in enhancing skills and technological resourcefulness. Intention is to brain storm to explore any other broader scope on a long-term perspective.” He mentioned about various alumni awards like outstanding performance awards based on their achievements, professional recognition awards and life time achievement awards, about Chapter meets and initiatives planned for alumni were announced during the event with needed support in smart village concept.

In-Charge Vice Chancellor, KL Deemed to be University Dr. G.P.Saradhi Varma gave a warm welcome to KLCE and KL Alumni and shared the progressive growth of the University, steering up to new heights, various aspects of education system and educational transformation in Indian system. He said, “We believe in scaling-up and skilling up talent to make our students become resourceful and holistic personalities. Starts ups are encouraged at university by connecting them with multinational companies for better exposure. Suggestive models are inducted that encourages entrepreneurship among students and they get possible atmosphere for entrepreneurial mindset.”

Dr. Kandepu Rajasekhar , Sr. Director-Alumni Relations & Advisor-HR
