Alumni Guest Lecture Report

Guest Lecture by Divya Kambhampati on (20th July 2019) working as Senior Software Engineer at Bank of America, Hyderabad.

Sharing his experience with students of 2nd year

Divya Kambhampati getting felicitated

Ms. Divya Kambhampati has encouraged the students to involve themselves more into skilling activities. She motivated the students to get extensive industrial exposure in the form of internship. She also encouraged them to involve into various extra-curricular activities like sports or learning foreign languages. Her lecture was very much informative and inspiring to the aspiring students. Her advice to the students was to make best use of the exemplary facilities available here at KLU, so that they can transform themselves into employable commodities at the end of their academic program.
