Alumni Guest Lecture Report

Guest Lecture by Venkata Bala Sai Chaitanya Thunuguntla
on (24th Oct 2019) working as Project Assistant, VICTORIA UNIVERSITY, MELBOURNE, AUSTRALIA

Mr. Bala Sai Chaithanya has delivered his lecture to final year students. He explained the students of the recent research area improved satiety signalling prader-willi syndrome & obesity by increased hypothalamic 5ht2cr activity. He suggested the students to do hardwork to achieve their goals and to reach greater heights. He motivated the students for persuing higher study and research. His lecture is so realistic in getting openings in research in better Universities.. His advice to the students was to make best use of the exemplary facilities available here at KLU.

I/C Dr. Rupita Ghosh

Head of the Department, BT
