<u>Report on Guest Lecture</u>

Mr.S.SHANMUKH, 2014 batch working in Deloitte, Hyderabad delivered Guest lecturer

on 30/07/19

on the topic of "**Cloud Security and Virtualization**".

He covered following points in his lecture.

- Load balancing.
- Security and integrity.
- Privacy in multi-tenancy clouds.
- Virtualization.
- Data recovery and backup.
- Data segregation and recovery.
- Secure cloud architecture.
- Cloud Cryptography.

Above points is very much useful for any computer engineer students for future development in IT industry. KLEF students are very much thankful because they are having same subject in current semester. Now they are confident to score more in their final university exam.

For Inauguration Students Attendance:

Total Students Attendance for Guest Lecture = 50 nos.

No. of Computer Dept. Faculty attended Guest lecture = 2 nos.
