ESOTERIC ARCHITECTURAL PRACTICES

About KL University,
KL Deemed to be University, was established in 2000-01, as KL College of Engineering, which was upgraded to KL College of Engineering Andhra Pradesh in 2006 by UGC and was elevated to KL Deemed to be University in 2009 by UGC, ADARSH Board of India. In 2012 the institution was accredited by NAAC with A Grade and later in 2018, was re-accredited by NAAC with A++ grade. In 2020 UGC, ADARSH declared the institution as Category 1 Institute.

School of Architecture
The School of Architecture, KL Deemed to be University, endeavours to foster an approach in a unique blend of Creativity and Objectivity with responsibility towards Society. The focus imparts students in architecture and design with a balance of both creative and technical skills to contribute to the creation of a new professional identity. Students not only learn the skills required, but during the course of studies, they are exposed to Thought-Provoking and Intellectually Inspiring Sessions, through studies, field trips and research projects, which bring out the creative best in them. The program is highly regarded because we continue to challenge quality and innovation in architectural practice. The School has a dedicated classroom, highly qualified and skilled faculties, which makes the learning easy.

Aims of the Conference
The Arcane Architectural Practices Conference, held under the captioning "to some dark, hidden place to explore the mysterious and unconventional aspects of architecture. Through historical value and design philosophies that challenge the norms, discover the symbols embedded in ancient structures, and explore the spiritual dimensions of space. Unearth forgotten design wisdom and gain inspiration by connecting with architects for contemporary applications.

Objectives of the Conference
The Arcane Architectural Practices conference explores the hidden depths of architecture.

1. Challenging design ideas with unconventional philosophies.
2. Discovering the spiritual and hidden meaning in ancient structures.
3. Uncovering the mystical power of space and its architectural manifestation.
4. Unearthing forgotten design knowledge for modern application.
5. Finding inspiration and gaining fresh design perspectives.

Key Features
Students will learn, explore forgotten design and wisdom embedded in architectural history, uncovering hidden parts of various sources. In-depth exposure, experiment with hidden geometry, occult symbolism, and ancient architectural practices to create mystery, light and shadow. Utilize unconventional lighting techniques to create an ethereal atmosphere resembling of occultic feeling.

Technology and Tradition
Blend traditional styles with modern technologies for structures that represent a perfect balance between old and new. Design spaces for spiritual, exploration of mystical realm, creating architectural-ritualistic space.

Immersive Experience
Experiment with unconventional materials and tools to create mystery and intrigue.

D3 for Faculty
The National Conference is open to the members of D3, Students, Faculty members of any college/university as well as associated teachers, research scholars and all other academic staff.

SCHOOL OF ARCHITECTURE

School of Architecture, Located at the heart of the University Campus, produces creative Works within and out of the campus; exploring new innovations and development strategies in Architectural Domain. The approach of the School is a unique blend of Creativity and Objectivity with responsibility towards Society. During the course of studies, Students not only learn the skills required for Architectural Design, but are also exposed to Thought-Provoking, Intellectually Inspiring Sessions and Field Trips. School encourages Students to participate and organize various Events and Activities dealing with Academics as well as Social Well Being. One such Event, which is a culmination of these aspects, is "D3" - Fest (Dream-Design-Delight).

This is an initiative started by K L U School of Architecture in the year 2017. It was launched as an intra college fest that was held for one day consisting of various Creative and Cultural Activities. In 2019, the D3 has been transformed into a full-Scale FEST with the theme of the year "Arcane Aura", inviting Students and Delegates from various Institutes and Industry. Students from various Architectural Institutions from Andhra Pradesh and Telangana attended the FEST and participated in activities with great Enthusiasm and Excitement. Sports and other Competitions were held among the Four Houses of the School to boost the spirit of the students and enhance the social bond among the students.

created an environment both Lively and Diverse, Dynamic and Rigid. Students formed into various groups and worked with different Materials such as Metal, Eco flex, Plastic, Paper, cloth etc. to create beautiful Decorative Elements of Architectural Value. They have experimented with Paints, Ropes, Electric Cables, and Bulbs to enhance the value of their School Environment. These Decorative elements are connected to courses they have studied as part of their Academics in an Abstract manner.
