**Student Participation in Photo Contest – 2025**

Date: 20/8/2025

### **Introduction:**

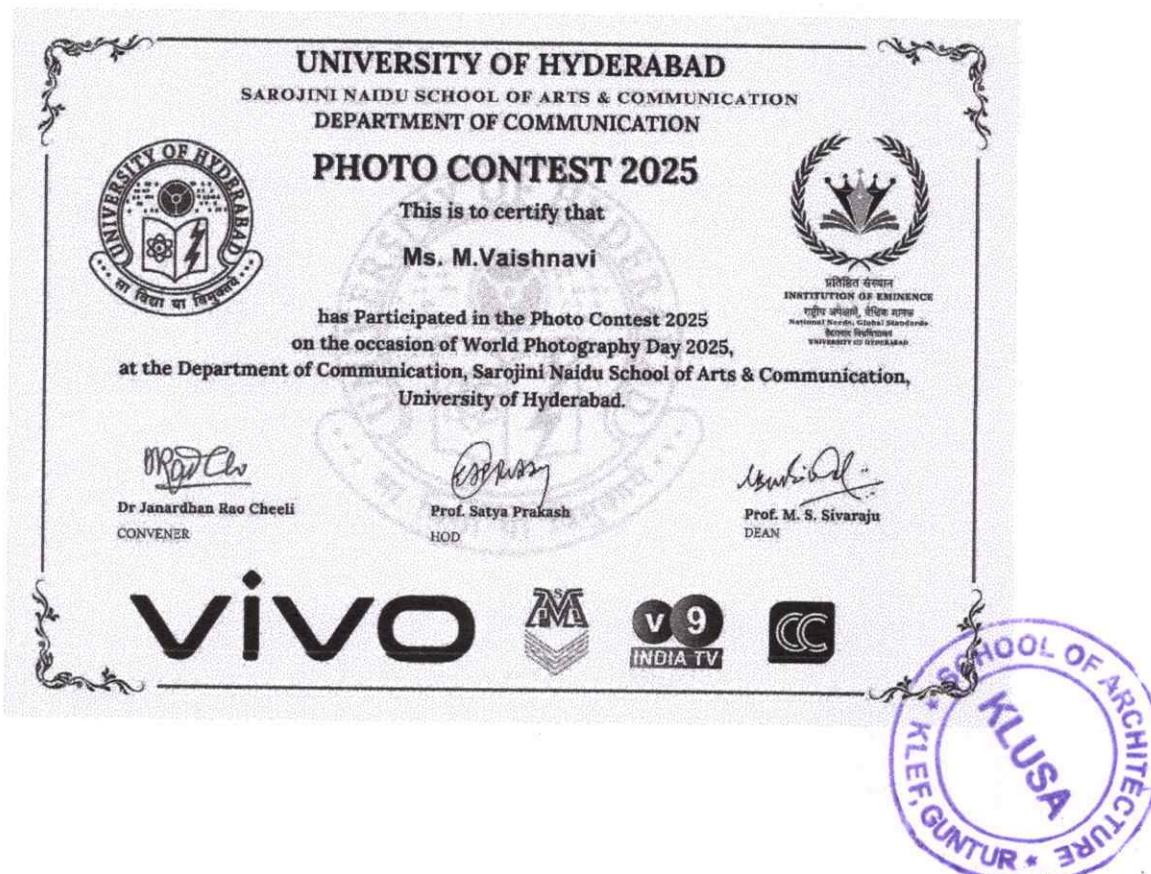

The Department of Communication, University of Hyderabad, organized a prestigious **Photo Contest – 2025** to mark the occasion of **World Photography Day**. The contest aimed at celebrating creative perspectives, storytelling through visuals, and the art of photography among students. Participants from various institutions showcased their talent by submitting thought-provoking and visually compelling entries.

### **Background**

The contest invited photography enthusiasts from across the country to submit their work before the deadline of **10th August 2025, 5.00 PM**. The submissions were evaluated by an expert panel on **13th August 2025**, and the shortlisted students were given an opportunity to present their work during the concluding ceremony. The event also included a **Certificate Presentation on 20th August 2025, at 3.00 PM**, where participants' creative efforts and accomplishments were formally acknowledged.

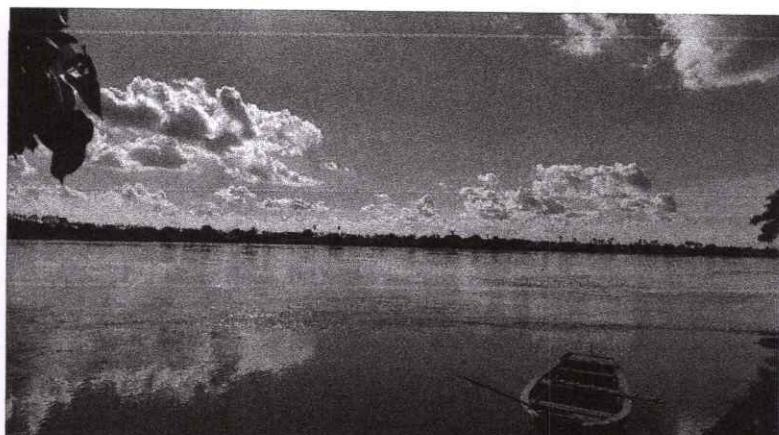

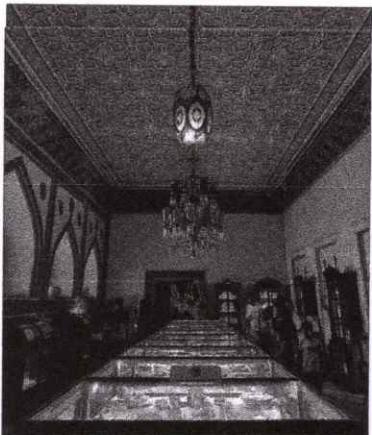

### **Achievement**

Among the overwhelming number of entries, **Ms. Vaishnavi**, a student of our institution, made a remarkable impression with her photography submission. Out of **400 shortlisted participants**, she successfully secured her place, highlighting her artistic eye, technical skill, and storytelling ability through photography. Her selection stands as a recognition of her dedication and creativity, bringing pride to herself as well as the institution she represents.

**Conclusion**

Vaishnavi's achievement in being shortlisted among 400 students at the **Photo Contest – 2025** conducted by the University of Hyderabad is commendable. This milestone not only reflects her individual talent and perseverance but also inspires fellow students to actively engage in platforms that celebrate creativity and innovation. Her participation reinforces the importance of nurturing artistic skills alongside academics, paving the way for future successes.
