### Smoke Art

**Date:** 21-10-2022

**Time:** 2:00 PM to 4:00 PM

**Venue:** E-110, (1<sup>st</sup> Floor, E-Block), School of Architecture

#### OBJECTIVES:

to encourage creativity and artistic expression by challenging participants to explore the dynamic interplay between smoke, light, and environment. By focusing on this unique art form, the event seeks to highlight the beauty and complexity of ephemeral art and to showcase the photographic skills and artistic vision of the participants.

#### DESCRIPTION/ REPORT

As part of the National Level Techno-Management Fest, the Department of Architecture at KLEF, Vaddeswaram, hosted the 'Smoke Art' competition, which focused on creating captivating art using smoke, surroundings, and lighting, and capturing these moments through photography. The event drew participants from across the stream, who showcased their creativity and technical skills in crafting ephemeral smoke art. The competition highlighted the intricate interplay between smoke and light, resulting in stunning visual compositions. Participants demonstrated exceptional talent in manipulating these elements to produce striking photographs that captured the transient beauty of smoke art. 'Smoke Art' provided a unique platform for artists to explore innovative artistic expressions and share their vision with a wider audience.

#### OUTCOMES:

The architectural students presented breathtaking compositions that skillfully combined smoke, surroundings, and lighting. The competition not only celebrated the artistic talents of the participants but also provided them with a platform to gain recognition and inspire others with their unique visions. The overwhelmingly positive feedback from judges and spectators underscored the event's success in pushing the boundaries of traditional art forms and photography.
