

Salient features and key aspects of B.A. Economics with IAS Orientation program @KLEF:

The BA Economics program with UPSC (Union Public Service Commission) and other competitive exams orientation at KL University in Guntur is designed to equip students with the necessary knowledge and skills to excel in civil service examinations and other competitive tests.

1. Specialized Curriculum:

- The curriculum integrates core economics courses with subjects relevant to civil services, such as political science, history, geography, and current affairs, ensuring comprehensive preparation.

2. Focus on UPSC Exam Preparation:

- Specific training modules tailored to the UPSC Civil Services Examination structure, including coaching for Prelims, Mains, and Interview stages.

3. Experienced Faculty & Trainers:

- The Department has highly qualified faculties with expertise in Economics, History, Polity, Geography and Trainers with experience in preparing students for competitive examinations. They provide valuable insights and guidance to the students throughout the program.

4. Special Emphasis on Current Affairs:

- The Department has the following Magazines of Current Affairs: Yojana, Kurukshetra, EPW, Down to Earth, Pratiyogita Darpan, Civil Services Chronicle, The Competition Success Review, India Today which will be regularly referred by the aspiring students to cover all important national and international events, and news about government policies.

5. Mock Tests and Evaluation:

- Weekly mock-tests simulating the UPSC exam environment will help the students to develop exam strategies and improve their time management skills.

6. Skill Development Workshops:

- Workshops on improving writing, presentation and analytical skills which are essential for both the UPSC-Civils Mains examination and interview. The department regularly organizes student Seminars, Group Discussions, Mock Parliament sessions, and Skill oriented workshops that will enable the students to develop their critical thinking skills and analytical answer writing skills.

7. Internships and Practical Exposure:

- Placement opportunities and internships with government organizations, NGOs, and other relevant sectors provide practical exposure and a real-world understanding of policies. The

Department surely provides 100% internship and placement opportunities for all interested and registered students.

8. Seminars and Guest Lectures by In-Service IAS/IPS Officers:

- Regular seminars featuring guest speakers from various domains, including successful civil servants, economists, and industry experts who will provide their useful insights to the students and motivate them towards their further academic and job-oriented targets in future.

9. Mentorship and Counseling:

- The Department believes in an effective counselling system that will help the students to overcome their initial worries in the beginning of everyone's career. We provide access to mentor-mentee opportunities where experienced faculty and alumni provide guidance and support to the students throughout their preparation journey for UPSC and other competitive exams.

10. Extra-curricular Activities:

- Engaging students in hobby clubs, societies, and cultural events with a special focus on fostering the leadership skills among the students. We encourage the students to take active part in outreach activities like NCC, NSS, Smart Village Campaign, Voters Awareness Campaigns, etc.

11. Networking Opportunities:

- K L Deemed to be University with 45 Years of long-lasting legacy is known for empowering the young minds in India. We do provide opportunities to connect with professionals in public services and industrial experts through various university events like Guest Lectures, Interactive talks, Hackathons, Ideathons, Seminars and Conferences that will enhance the students' networking capabilities.

12. Holistic Development:

- Ours is a cutting-edge curriculum with an intense focus on UPSC–Civil Services Exam. We encourage our students to join NCC, NSS, Sports Clubs, and Yoga centre to emphasize more on their personality Development.

By and large, our curriculum is a perfect blend of academic perfection with a rigorous attempt towards preparation for UPSC Civil services exam for which mastering leadership skills, effective communication, and critical thinking are crucial for one's success in career for which KL university is felt to be the most sought destiny.
