Awareness on Hygiene Campaign

Date: 10-09-2018

Time: 10:30 Am, Venue: Vaddeswram Village

The Department of Arts organized Awareness on Hygiene Campaign at Vaddeswram Village, in association with *Women Forum*, Department of Arts, KLEF, on 10th September, 2018, flag hosted by the Head of the Department, Department of Arts, KLEF. Personal hygiene is the cornerstone of health and well-being. It encompasses simple yet vital practices like bathing, hand washing, and dental care. Inadequate personal hygiene can lead to severe health consequences. Ignoring hygiene practices makes the body a breeding ground for germs, leaving it susceptible to infections. Additionally, poor hygiene can lead to social isolation and impact mental well-being.

Campaign Objectives

1. Awareness: Educate individuals about the importance of personal hygiene for disease prevention and overall well-being.
2. Empowerment: Empower people with knowledge and tools to adopt and maintain proper hygiene practices.
3. Addressing Health Challenges: Our campaign focuses on spreading awareness about the impact of personal hygiene on health and social well-being. By promoting these practices, we aim to mitigate the risks of infections and health issues.
