As a part of academic curriculum the students of 1st year of School of Architecture have been taken to the “**Rendering Tour**”. The site visits covers the subjects of **Art Studio** helping them for a better understanding of the onsite sketching and enhancing their skills in sketching.

Chowmahalla Palace (Hyderabad)

Charminar (Hyderabad)

The places like Charminar and Chowmahalla Palace are chosen for their extensive ornamentation of the buildings. The places are also occupied with major number of tourists. Students can enhance their rendering techniques in **HERITAGE** structures.

Golconda Fort (Hyderabad)

Golconda Fort (Hyderabad)

The place like Golconda Fort is chosen for their massing of the building. The mighty structure can enhance the student in visualizing the **SCALE & PROPORTION** in the sketch.

Zoological Park (Hyderabad)

Zoological Park (Hyderabad)

Indira Gandhi Zoological Park is selected based on the amount of **LANDSCAPE** that is present in the park. Students can get an Idea of sketching landscapes on site.
