We celebrate Teachers' day every year throughout the country on 5th September. This day is dedicated to Dr. Sarvepalli Radhakrishnan – Second President of India. The great academic philosopher and one of the most well known diplomats, scholar, president of India and above all a teacher.

Students of School of Architecture had celebrated the Teachers' day celebrations on September 6<sup>th</sup> 2018 for the faculty of the department as a surprise event. The students have invited the faculty to a lunch followed by a surprise event. As a token of their gratitude, respect and appreciation to the faculty they presented gifts. The event ended with faculty speeches and few cultural activities. Programs like this help develop the bond between students and faculty bridging the gap for better reasons.
