Scientist (R&D) at Lazuline Biotech, Hyderabad

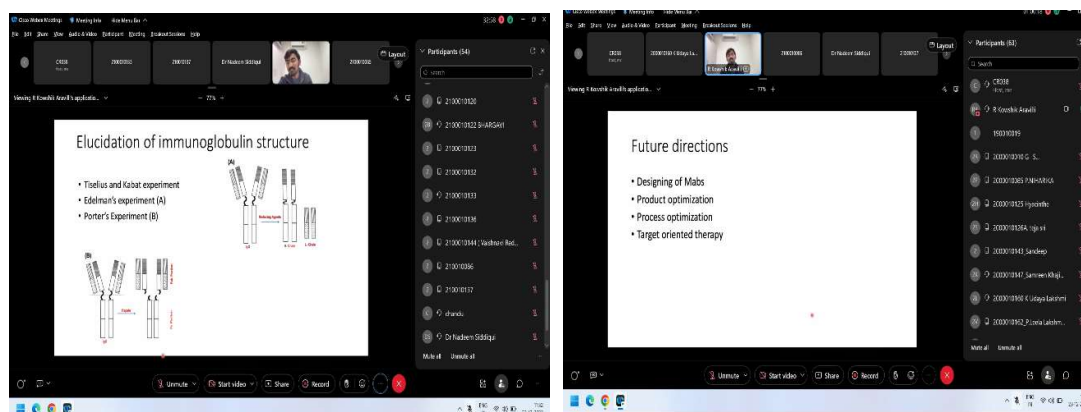

Information about Guest Lecture, posted on various platforms like Facebook, LinkedIn and Instagram on 17/12/2022

Dr. R.Kowshik Aravilli of Y7 Batch (KLCE student) has agreed to deliver lecture virtually on 23rd December, 2022. A guest lecture was arranged for second year students on Webex platform. Alumni coordinator, Dr.V.Praveen Kumar has interacted with the guest and discussed about the y7 students who were at different locations and asked the guest to invite them to join in alumni whatsapp and other respective groups. Later, the guest was introduced by Dr.Nadeem Siddiqui, Associate Professor. Then the guest started his lecture and explained how he got opportunity to explore on industrial research. He further explained about various types of sectors and also about skill sets needed for a student who wish to choose research field.

A total of 70 students along with the Deputy HoD and faculty members attended the session, The talk was highly informative and useful to the students.

He explored the possible disciplines of life sciences and gave tips for applying internship program across India. He has encouraged the students to involve themselves more into skilling activities and to get extensive industrial exposure in the form of internship. He also explained the students about the importance of RESEARCH and its role in present scenario.
