

Guest Lecture by
Dr.Monica Agarwal
on (18th July, 2023)
working as
Senior Lecturer– Department of Biomedical Engineering, Troy, NY

Dr.Monica Agarwal of Y3 Batch (KLCE student) has visited our university on 19th July, 2023. A guest lecture was arranged for third year students. She introduced herself and explained how he got opportunity to explore on biomedical research. He further explained about programmes leading to Masters (M.S/M.Eng) and PhD degree at Rensselaer Polytechnic Institute (RPI), New York . A total of 148 students along with the HoD, Deputy HoD and faculty members attended the session, organised in jasmine hall (C block, C024). The talk was highly informative and useful to the students.

Guest was invited by Hon. Vice-chancellor, KL University and had a discussion over the involvement of Dr.Monica Agarwal for improvement and mentorship for active students and improvement in findings ways to get into masters and research programs. Addl. Dean Academics and Dean Skill also interacted with her and discussed about the possible opportunities for other Engineering programs at RPI.

She explored the possible programmes leading to Masters (M.S/M.Eng) and PhD degree at Rensselaer Polytechnic Institute (RPI). She elaborated that Rensselaer Polytechnic Institute (RPI) is a renowned institution offering a wide range of graduate programs, including Masters (M.S/M.Eng) and PhD degrees, across various disciplines. Rensselaer Polytechnic institute is America's oldest technological research university, established in the year 1824 offering bachelor's, master's, and doctoral degrees.

Left: Expert talk by Dr.Monica Agarwal on 18th July, 2023 at 2:15PM for Biotechnology students on career programs. **Right:** Felicitation by HOD and **Professor I/C Alumni**

She has guided the students how to get success in higher studies and opportunities to get into higher studies. Her lecture was very much informative and inspiring to the aspiring students. Her advice to the students was to make best use of the exemplary facilities available here at KLU, so that they can transform themselves into higher graduates at the end of their academic program. As a part of alumni, Dr.Monica Agarwal has given complete application waive for the students who apply for any program at RPI. Department of Biotechnology and Alumni Cell, together felicitated Dr.Monica Agarwal and thanked for accepting our invitation.
