

Road Safety Awareness Program

31 December 2011: Third year B-Tech (Civil Engineering) students of K L University participated in road safety awareness program organized by National Highway Authority India Ltd. (NHAI) in association with agencies implementing widening and expansion of NH5 between Vijayawada and Chilakaluri Peta.

The program was organized during 31st December 2011 to 7th January 2012 which was inaugurated by Sri. CNS Murthy Project Director of NHAI (Government of India) at Kaza toll gate in presence of Assistant Commissioner of Police – Traffic, Vijayawada City Police.

Twenty students from Civil Engineering Department participated in this program in three teams and explained about road safety to the passer by vehicles on NH5 at three locations between Vijayawada and Chilakaluri Peta. They also visited schools and petrol filling stations to explain about various points on safety guidelines to be followed on the road.
