#### Monthly Report for The Month of September 2016

Dt.29.09.2016

The EEWRRGG Research Group and Club activity was commenced at 5PM in the Room No.M305. Dr. T Reshma, Research group head welcome the members.

The following points has been discussed

- To get the choice of participation in technical events outside the university from B.Tech& M. Tech students.
- To encourage and motivate the students to take part in Solid Waste Management program started in KLU.
