

Social Service Activity

21 October 2011: Department of Civil Engineering organized a social service program at MATRUCHAYA, an orphanage near Nutakki Village, Guntur District which is around five kilometers away from K L University. Funds for this program were raised by second, third and final year B-Tech (Civil Engineering) students.

The faculty members Mr. P. Sundar Kumar and Mr. K. Sundara Kumar took lead in this activity and accompanied the students for this activity. Fruits and sweets were distributed to the orphanage children while spending time with them.

The department also planned to visit this place again on 31st December 2011 and celebrate New Year with them.
