### FUTURE SCOPE

#### Description of the Event:

We team CEA, planned to conduct a Future scope event to give a clear view about the future studies after high school studies for students. This event will show the ways after their schooling in magnifying view. Awareness is also given to parents about children future and ways of studies. This will be more helpful for students to get a crystal clear view about their future goals. India is having more percent of youth than other countries. Backbone of our country is youth next to farmers. So we are most interested to make their goals stronger without any benedictions from their neighbors. This event will make the students to set their goals with larger thinning.

#### Benefits:

- Students will get more clear on their future goals to be set.
- Awareness on education patterns senses branching of education.
