### **ORIENTATION ON INTRODUCTION & INSTALLATION OF OPERATING SYSTEMS**

With the advent of technology, the usage on internet and online resources increased. To know about Internet, we should definitely understand about the computer, its components, benefits and everything.

So, On 19<sup>th</sup> of August, we went to the team CEA went to PEDDAPALAM School and made them to know from the very beginning like, what is a computer?, what are its parts and devices? ... till Why an operating System is used? , what are its Types?

The students were interested in learning all these things, as they want to learn much about Computers and there importance. It was a successful day with lots of learning's and students activeness.

24 students volunteers of CSE department have organized and demonstrated the basic of computers.
