ORGAN DONATION CAMP

Description of the Event:

To raise awareness, KLEF-CEA in collaboration with NSS cell organized an event named, "Organ Donation Camp" in the university for two days i.e., 13th and 14th of August. Every 12 minutes, another person's name joins the 123,000 others on the national organ transplant waiting list. A single organ donor can save up to eight lives. By also donating tissues and eyes, the same donor can improve up to 50 lives. Signing up to become an organ donor is an easy way to make a lasting and worthwhile impact.

Benefits:

- Improves others' quality of life.
- Becoming a donor is a hugely positive choice and allows your legacy to live on through another

42 CEA volunteerer have organized the camp and 441 stundents have participated and submitted the applications for organ donation.
