## **Webinar on WHO MADE GANDHIJI FATHER OF NATION**

“A small body of determined spirits fired by an unquenchable faith in their mission can alter the course of history.”

Known for his disciplinarian and sombre attitude, The Father of our nation has proved us when you have the conviction of your views and purpose, you stand tall, fearless and confident in every situation. Everyone, especially growing children and youth are exposed to Gandhiji's philosophies. Gandhiji's courage to stand up for his rights and how he fearlessly challenged the authority by leading people to protect rules or laws that were against basic human rights always inspires us the most. Gandhiji is still revered worldwide, not only for helping liberate the Indian subcontinent from British imperialism but for his nonviolent protests, which inspired many other civil rights movements. He resisted evil with as much vigour and power as the violent resister, but with love instead of hate. Armed only with great courage and a strong commitment to nonviolent resistance, Gandhiji took on one of the world's mightiest empires.

Memoirs when confined to ink and papers can't move a feather, taking a place only in an old librarian's conscience. History is an advice to the present and a roadmap to the future. It is mankind's responsibility to commemorate, understand and revere the past while having a keen thought of the future. Of all the historical events and eras, the legacy laid by a man as endearing and respected as Gandhiji should become the path of the

nation's journey of development. Taking that pivotal purpose as an invincible desire, **KL CSE-CEA** has organized a webinar on "What made him the Father of the Nation", commemorating the 151<sup>st</sup> birth anniversary of Gandhiji on October 2<sup>nd</sup>, 2020. Beginning at 4 PM on the auspicious day, the event constituted of an elaborate and motivating webinar on the life and times of the Mahatma, taking time back to the 19<sup>th</sup> and 20<sup>th</sup> centuries and detailing the facts that paved way for him to be affectionately called the "Father of the Nation". The participants have paid utmost attention and took in a lot of history, ultimately understanding the greatness of Gandhiji with the meticulous efforts of the team bearing fruits.
