### **A Report on “Vedic Maths” on 26/09/2018 at Tadepalli Village**

#### **Description:**

Mathematics is one such division that involves thinking and where mind is used at its best. In India most of the students are studying the conventional mathematics, but they are unable to solve the problems that are new to them. This is due to lack of clarity on basic concepts. The initiation in spreading the development of conceptual mathematics will be taken by the event “**VEDIC MATHS**”. In this event the students will be aware on fast mathematical solution generating techniques and speed math calculations

#### **Working procedure:**

- Volunteers will be trained regarding the mathematical tricks.
- Material in the form of documented information will be issued to the students.
- Teaching and Skilling will be done to the students.
- Interactive sessions will be planned for doubts clarification.
- More number of examples was solved to understand tricks effectively.

#### **Benefits:**

1. Students can experience in developing interest of math in them.
2. Students can improve accuracy, speed and sharpened focus.
3. Students will be able to adopt creative math problem solving strategies.
