### **A Report on “Wiseacre” on 21/02/2019 at Tadepalli Village**

#### **Concept:**

The concept of the event is to challenge the intellectual level of children. A video will be shown to the children and questions regarding that video will be asked and children will be picked based on the number of questions answered. JAM (Just-A-Minute) will be conducted for remaining children. Spell Bee contest will be done for the finalists of the event.

#### **Event Summary:**

On February 21<sup>st</sup>, Centre for Extension Activities (CEA) conducted an event at Geethanjali School, Tadepalli called as Wiseacre. The Event was conducted to students of classes ranging from 5 to 8. The students were first thoroughly explained about the event by our volunteers. The first round was a visual interactive session. A video about Magnetism was played and questions related to the video were asked by the round organizers. After that another video about Growth of a seed was played and questions concerning the topic were asked as a quiz session. The Children from the above round were sorted by the marks obtained by them in their first round.

The winners of first round were then passed on to second round. The second round was a spell bee contest and the organizers conducted the round with great enthusiasm. The remaining contestants were sent for Just-A-Minute (JAM) session. The Spell Bee Event was very entertaining for the students who participated in the event. The JAM session was also a successful venture.

Finally, all the rounds were completed, and prizes were distributed for the winners. The Professor- in- charge Mr. Rambabu tremendously helped us in completing the event successfully.

The School Staff immensely supported us. The School Principal Mrs. Rama Devi thanked CEA on behalf of their school for conducting the event at their School. The event went on as planned and was a huge success.

## Details of the Event
