A report on “Campaign for not to use Plastic” on 19/09/2019 at Vaddeswaram Village

Description of the Event:

Event Campaign for not to use plastics focus on letting the children get aware about the hazardous effects caused by the plastic on the nature and let them gain knowledge on various techniques. The functionality of the event will let the students to understand and adopt the ways to use the trash plastic items in making the daily accessory items creatively thus makes the future society a little caution about the nature bane.

Working procedure:

The Event initiated with the introductory speech regarding Plastic dangerous effects to the ecology and then conducted a quiz to understand the level of plastic they were using in their daily life. Power point presentations and video presentations were demonstrated to let the students observe and understand the actions which minimize the plastic usage, interactive sessions and activities were conducted for effective involvement and active learning for students on the concept of RRR.

Benefits:

- Students understood the disadvantages caused by plastic.
- Students learned the ways to minimize the plastic usage.
- Students got motivated and pledged to reduce plastic in their lifestyle.
