A report on “Awareness on Literacy” on 20.09.2019 at Pedapalem Village

Description of the Event:

To create awareness among the people in the village about Literacy CEA team members visited PEDDAPALEM. These days there is a great demand of reading and writing. Everyone now-a-days need to be minimum educated. It has become basic necessary for everyone. So we the people of CEA had organized an event to tell the students the importance of literacy on the occasion of World Literacy Day.

The **Importance of Literacy** is helping someone to read and write effectively or acquires the basic math skills so many of us take for granted, improves the future of everyone in society. **Literacy** is critical to economic development as well as individual and community well-being. Our students explained the villagers how to use internet like how to Google about usage of different pesticides and also how to know about the different prices of required items for farming and agriculture.

CEA Team of 80 volunteers with 2 faculty members visited Z P H School in Peddapalem and explained importance of education to them through explanation and played animated videos that explains them the importance of education. Conducted two small events based on the session and distributed chocolates.
