"A REPORT ON AWARENESS ON ANTI- DRUGS - 01/03/2023 AT NUTAKKI VILLAGE"

CENTRE FOR EXTENSION ACTIVITIES

ANTI DRUG AWARENESS

DATE: 01/03/2023

VENUE: Z.P. High School,
Nutakki

Objective

It is important to know where to seek help. Drug education helps children and young people understand that all drugs, legal and illegal, have the potential to cause harm and that the drug experience is because of many factors including the person, the drug, and the environment. So team KLEF-CEA conducted an event named "Anti Drug Awareness" at Z.P.High School, Nutakki village.

Description

Anti-drug awareness aims to educate individuals about the risks and consequences associated with drug abuse and addiction. It seeks to promote a drug-free lifestyle by providing information on the harmful effects. Drugs can have an impact on physical health, mental well-being, and social relationships.

Anti-drug awareness campaigns often emphasize the importance of prevention through education, early intervention, and fostering resilience against peer pressure. By highlighting success stories of individuals who have overcome addiction, anti-drug awareness instills hope and inspires others to seek help and make positive choices.

Community involvement, support networks, and access to treatment resources are essential components of effective anti-drug awareness initiatives, fostering a united front against substance abuse.

Proceedings of the Event:

Team KLEF_CEA reached Z.P. High School, Nutakki Village

- Then the volunteers were divided into teams and given a deep explanation about the anti-drugs.
- Then, they additionally added the disadvantages of the drugs and their effects.

Later, all the students and volunteers joined in the debate to learn more about the drugs and resolve the doubts raised by the students.

The KLEF_CEA team planned an event to raise awareness among the students about drugs and how it affects our health in the future. Everyone involved collaborated to raise voices about the drugs with the intent to serve the public in good faith. The event was a huge success. Our pupils gave good responses and demonstrated excellent behavior throughout the event.

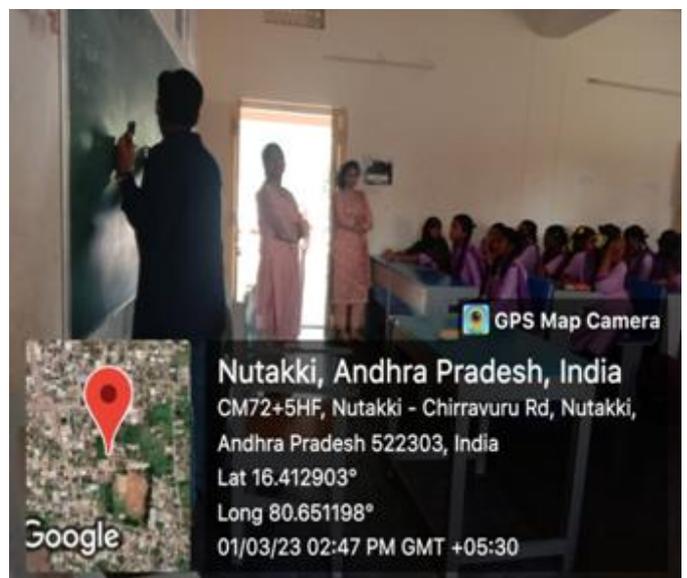

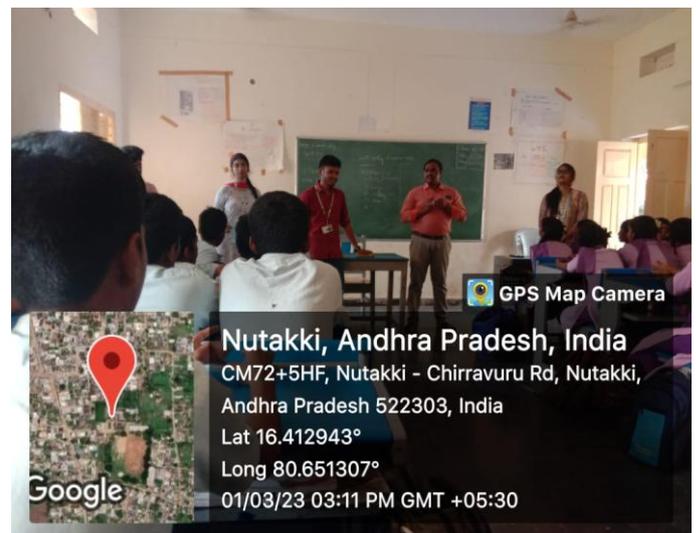

Outcome

Everyone who attended the event found it to be a success and appreciated it. The students from Z.P. High School at Nutakki Village understood the risks that are associated with drugs to prevent them they learned some tips from the KLEF_CEA team and they found it very effective.

Details of the Event

Name of the Event	:	Awareness on Anti Drugs
Date of the Event	:	01/03/2023
Time	:	01:40 pm to 4:00pm
