Details of the Event:

Date of the Event	:	28-12-2023 to 29-12-2023
Name of the Event	:	Conservation of Electricity
No. of Hours	:	01:30 PM To 04: 30 PM
Venue of the Event	:	Atmakuru & China Kakani Villages
No. of Participants	:	Students: 86, Faculty: 02
No. of Beneficiaries	:	1557

Objective:

The Conservation of Electricity Event conducted by KLEF-CEA from December 28 to December 29, 2023, in Atmakuru and China Kakani aimed to raise awareness about energy conservation practices and promote sustainable electricity usage.

The primary objectives included:

Energy Conservation Education: Educate participants about the importance of conserving electricity and adopting sustainable energy practices.

Community Engagement: Encourage active participation from the local community in adopting energy-eminant habits.

Promote Sustainable Living: Foster a sense of responsibility towards the environment by advocating for sustainable energy consumption.

Description:

The Conservation of Electricity Event unfolded as an initiative to address the pressing need for energy conservation in Atmakuru and China Kakani. KLEF-CEA volunteers engaged with the local community to spread awareness about the impact of electricity consumption on the environment and the importance of adopting energy-eminant practices.

The event featured interactive workshops, demonstrations, and practical tips on reducing energy consumption in daily activities. Participants were encouraged to actively engage in discussions and share their experiences in implementing energy-saving measures.

Procedure of the Event:

Awareness Workshops: KLEF-CEA organized awareness workshops to educate participant about the environmental impact of electricity consumption.

Interactive Demonstrations: Practical demonstrations showcased simple yet effective ways to conserve electricity in daily life.

Community Discussions: Participants engaged in discussions, sharing experiences and ideas on adopting energy-eminant practices.

Distribution of Energy-Saving Kits: KLEF-CEA distributed energy-saving kits

containing LED bulbs, power strips, and informational materials to encourage immediate implementation of energy-saving measures.

Follow-up Initiatives: KLEF-CEA outlined follow-up initiatives, including regular community engagement and awareness campaigns to sustain energy-eminant habits.

Outcome:

The Conservation of Electricity Event in Atmakuru and China Kakani, conducted by KLEF-CEA resulted in several positive outcomes:

Increased Awareness: Participants gained a deeper understanding of the environmental impact of electricity consumption and the importance of conservation.

- **Community Participation:** Active engagement from community members highlighted a shared commitment to sustainable living.
- **Immediate Impact:** The distribution of energy-saving kits contributed to the immediate implementation of energy-eminant measures in households.

This event showcased KLEF-CEA's commitment to environmental sustainability and the promotion of responsible energy consumption in Atmakuru & China Kakani Villages.
