### **A report on “Mobile Addiction” 02/11/2024 at Veerula Palem Village**

#### **Details of the Event:**

Date of the Event	:	02-11-2024
Name of the Event	:	Mobile Addiction
No. of Hours	:	01:30 PM To 04: 30 PM
Venue of the Event	:	Veerulapalem Village
No. of Participants	:	Students: 85, Faculty: 02
No. of Beneficiaries	:	328

**Objective:**

In Veerulapalem village, mobile addiction has become a significant concern, affecting the daily lives and well-being of its residents. Many individuals, particularly the youth, are increasingly reliant on their smart phones for entertainment, social interaction, and information. This dependency often leads to decreased face-to-face communication and social isolation.

**Description:**

The primary objectives of addressing mobile addiction in Veerulapalem village include:

- **Creating Awareness:** Educating the community about the negative impacts of excessive mobile phone usage on mental health and social interactions.
- **Encouraging Behavioural Change:** Inspiring individuals and families to establish healthier habits regarding mobile device usage, promoting activities that foster in-person connections and outdoor engagement.
- **Recognizing Contributions:** Acknowledging local initiatives and efforts made by individuals or groups in combating mobile addiction through community programs and awareness campaigns.
- **Facilitating Policy Implementation:** Providing a platform for local leaders and educators to discuss effective strategies for reducing mobile dependency, including workshops and seminars aimed at promoting balanced technology use.

**Procedure of the Event:**

The event on electricity conservation organized by students in a village aimed to raise awareness and promote sustainable practices among community members. The following outlines the procedure of the event:

**Event Planning****1. Objective Setting**

Define clear goals, such as educating the community about energy conservation techniques and encouraging sustainable habits.

**2. Team Formation**

Assemble a group of students responsible for various tasks, including logistics,

outreach, and presentations.

### **3. Resource Gathering**

Collect educational materials, pamphlets, and visual aids related to electricity conservation techniques, such as using LED bulbs and turning off appliances when not in use.

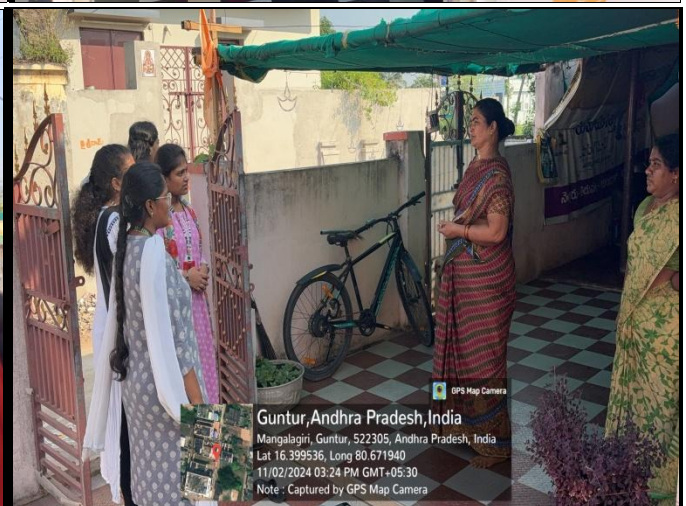

#### **Outcome:**

The event addressing mobile addiction in Veerulapalem village, organized by local students, yielded transformative outcomes: Outcomes of the Mobile Addiction Awareness Event:

- **Increased Participation:** There was a notable rise in engagement from students and community members in discussions about the implications of mobile addiction.
- **Positive Feedback:** Participants expressed appreciation for the informative sessions, highlighting their learning experiences and the innovative ideas shared during the event.
- **Development of Actionable Ideas:** The event facilitated the generation of practical strategies that can be implemented within families and the community to mitigate mobile addiction.
- **Heightened Awareness:** Attendees gained a deeper understanding of global issues related to technology use, including mental health concerns and social disconnection stemming from excessive screen time.
