### **A report on “ECO FRIENDLY GANESH IDOLS DISTRIBUTION” 26/08/2025 at Gundemeda Village**

#### **Details of the Event:**

Date of the Event	:	26-08-2025
Name of the Event	:	Eco Friendly Ganesh Idols Distribution
No. of Hours	:	09:30 AM To 12: 30 PM
Venue of the Event	:	Gundemeda Village
No. of Participants	:	Students: 63, Faculty: 02
No. of Beneficiaries	:	483

**Description of the Event:**

KLEF-CEA organised “Eco-Friendly Ganesh Idols Distribution” on the occasion of Vinayaka Chavithi on 26th August 2025 at Gundemda Village. The event aimed to promote sustainable festive practices by encouraging villagers to adopt clay Ganesh idols instead of idols made from plaster of Paris and harmful chemicals. Volunteers from CEA actively engaged with the community, explained the environmental benefits of using eco-friendly idols, and motivated them to celebrate the festival in a way that preserves water bodies and natural resources. The initiative received positive response from the villagers, who appreciated the efforts to combine tradition with environmental responsibility.

**Objectives:**

- ❖ To promote the use of eco-friendly clay Ganesh idols and discourage the usage of Plaster of Paris idols that harm the environment.
- ❖ To create awareness among villagers about the importance of celebrating festivals in an environmentally sustainable manner.
- ❖ To encourage door-to-door interaction, ensuring that every household understands the impact of eco-friendly practices on water bodies and soil.
- ❖ To strengthen community participation in adopting green traditions during Vinayaka Chavithi.
- ❖ To instill a sense of responsibility towards nature while preserving cultural and religious values.

**Outcome:**

The “Eco-Friendly Ganesh Idols Distribution” at Gundemda Village on the occasion of Vinayaka Chavithi resulted in a highly positive outcome, as many households welcomed and accepted the clay idols with enthusiasm. The door-to-door distribution not only ensured wide participation but also created strong awareness among the villagers about the harmful effects of Plaster of Paris idols on water bodies and soil. The initiative successfully encouraged families to celebrate the festival in an eco-conscious manner, thereby fostering

a sense of environmental responsibility while preserving cultural traditions. This event also strengthened the bond between the community and KLEF-CEA, highlighting the importance of sustainable festive practices.

### **Impact of the Society:**

The “Eco-Friendly Ganesh Idols Distribution” at Gundemda Village had a significant impact on society by inspiring the community to adopt sustainable practices during religious celebrations. The initiative reduced the dependence on harmful Plaster of Paris idols, thereby preventing water pollution and safeguarding aquatic life. Villagers became more aware of the importance of eco-friendly celebrations and pledged to continue this practice in the coming years, setting an example for neighboring communities as well. Beyond environmental benefits, the program also fostered a sense of collective responsibility, encouraging people to balance cultural devotion with ecological preservation for the well-being of future generations.
