KLEF–Centre for Extension Activities (CEA) organised an “Awareness on Women’s Rights” programme on 12th September 2025 at Z.P. High School, Tadepalli Village, with the objective of educating students about the significance of gender equality and the legal rights of women. The event focused on creating awareness regarding issues such as the right to education, equal opportunities, protection against discrimination, and safety measures available under law. Volunteers engaged the students through interactive sessions, discussions, and real-life examples, encouraging them to respect and uphold women’s rights in society. The programme aimed to empower young minds with knowledge that fosters equality, respect, and social responsibility.

**Objectives:**

The programme not only educated them about the legal protections and opportunities available to women but also

instilled a sense of responsibility to contribute towards building a more inclusive and respectful society.

### Impact of the Society:
