### **A report on “AWARENESS ON E-WASTE” 12/09/2025 at Z.P. High School, Tadepalli Village**

#### **Details of the Event:**

Date of the Event	:	12-09-2025
Name of the Event	:	Awareness on E-Waste
No. of Hours	:	01:30 PM to 04: 30 PM
Venue of the Event	:	Z.P. High School, Tadepalli Village
No. of Participants	:	Students: 81, Faculty: 02
No. of Beneficiaries	:	184

**Description of the Event:**

KLEF-CEA organised an “Awareness on E-Waste” program on 12.09.2025 at Z.P. High School, Tadepalli Village. The session aimed to educate students and the local community about the hazards of improper electronic waste disposal and the importance of sustainable e-waste management. Volunteers explained the environmental and health impacts of e-waste, demonstrated safe disposal practices, and encouraged participants to adopt recycling and reuse methods. The program also emphasized the role of students in spreading awareness within their families and society.

**Objectives:**

- To create awareness among students and villagers about the harmful effects of improper disposal of electronic waste.
- To educate participants on safe and eco-friendly methods of managing and recycling e-waste.
- To promote responsible usage, reuse, and disposal of electronic gadgets.
- To encourage students to become ambassadors of e-waste awareness in their families and communities.
- To highlight the importance of reducing e-waste for environmental sustainability and public health.

**Outcome:**

The Awareness on E-Waste program at Z.P. High School, Tadepalli Village, resulted in increased knowledge among students and villagers about the dangers of e-waste and its impact on the environment and human health. Participants gained clarity on safe disposal methods, recycling practices, and the importance of minimizing electronic waste. The session motivated students to adopt eco-friendly habits, such as reusing gadgets, avoiding unnecessary electronic purchases, and spreading awareness within their households and communities.

## Impact of the Society:

The “Awareness on E-Waste” initiative created a positive impact on society by sensitizing both students and villagers about the urgent need for responsible e-waste management. The program inspired the local community to adopt safe disposal and recycling practices, thereby reducing environmental pollution and health risks caused by hazardous electronic components. By encouraging sustainable habits, the campaign contributed to building a more environmentally conscious society where students act as change agents, spreading awareness and motivating others to protect the ecosystem for future generations.
