A report on “AWARENESS ON JUNK FOOD EFFECTS” **26/09/2025 at Nutakki Village**

Details of the Event:

Date of the Event :	26-09-2025
Name of the Event :	Awareness on Junk Food Effects
No. of Hours :	01:30 PM To 04: 30 PM
Venue of the Event :	Nutakki Village
No. of Participants :	Students: 83, Faculty: 02
No. of Beneficiaries :	832

Description of the Event:

KLEF-CEA organised a door-to-door campaign on “Awareness on Junk Food Effects” on 26/09/2025 at Nutakki Village, Mangalagiri Mandal. During the campaign, student volunteers actively interacted with the villagers, spreading awareness about the harmful effects of consuming junk food and its impact on health, such as obesity, diabetes, heart problems, and lack of nutrition. Pamphlets and posters were distributed to educate people about adopting healthy eating habits and preferring home-cooked, nutritious meals over processed foods. The initiative aimed to encourage the community, especially children and youth, to make mindful food choices for a healthier lifestyle.

Objectives:

- To educate the villagers about the harmful health impacts of consuming junk food.
- To promote awareness on lifestyle diseases like obesity, diabetes, and heart problems caused by junk food.
- To encourage children, youth, and families to adopt nutritious and home-cooked food habits.
- To reduce the dependency on packaged and processed foods in rural communities.
- To build a sense of responsibility among villagers towards maintaining a healthy diet for long-term well-being.

Outcome:

The door-to-door campaign on “Awareness on Junk Food Effects” at Nutakki Village created a positive impact by sensitizing the community about the serious health risks associated with excessive consumption of junk food. Villagers, particularly parents and youth, showed keen interest in understanding the importance of nutritious diets and expressed their willingness to reduce the intake of packaged and fried foods. The distribution of informative pamphlets and interactive discussions motivated families to prioritize home-cooked meals and fresh fruits and vegetables in their daily routine. Overall, the campaign successfully encouraged the community to make healthier food choices for a better lifestyle.

Impact of the Society:

The door-to-door campaign on “Awareness on Junk Food Effects” at Nutakki Village had a meaningful impact on society by fostering a collective understanding of the importance of healthy eating habits. The initiative helped reduce misconceptions about packaged and fast foods while inspiring families to shift towards balanced and traditional diets. By addressing both adults and children, the campaign encouraged long-term lifestyle changes that contribute to improved community health and reduced risk of chronic diseases. This effort not only promoted individual well-being but also strengthened the vision of building a healthier, more conscious society.
