A report on “CYBER CRIME AWARENESS” door to door Campaign on 09/10/03/2025 at Atmakuru Village

Details of the Event:

Date of the Event	:	09-10-2025
Name of the Event	:	Cyber Crime Awareness
No. of Hours	:	09:30 AM To 04: 30 PM
Venue of the Event	:	Atmakuru Village
No. of Participants	:	Students: 80, Faculty: 02
No. of Beneficiaries	:	858

Description of the Event:

KLEF–Centre for Extension Activities (CEA) organised a door-to-door campaign on “Cyber Crime Awareness” on 09/10/2025 at Atmakuru Village. The campaign aimed to educate villagers about the growing threats of cyber crimes such as online fraud, phishing, identity theft, and misuse of personal data. Student volunteers interacted with households, explaining preventive measures like using strong passwords, avoiding suspicious links, and safeguarding personal information while using digital platforms. Pamphlets and informational materials were distributed to enhance understanding and promote safe online behavior among the villagers.

Objectives:

- To educate the villagers about various types of cyber crimes and their consequences.
- To create awareness on safe internet practices and responsible use of digital platforms.
- To inform people about the importance of protecting personal and financial information online.
- To encourage reporting of cyber crime incidents to the appropriate authorities.
- To promote digital literacy and build a sense of cyber security awareness among rural communities.

Outcome:

The door-to-door campaign on “Cyber Crime Awareness” resulted in increased awareness among the residents of Atmakuru Village about the importance of online safety and responsible digital practices. Villagers gained valuable knowledge on identifying and avoiding online scams, phishing attempts, and fraudulent messages. Many participants expressed appreciation for the informative interaction and showed interest in adopting preventive measures such as using secure passwords and avoiding sharing personal information online. Overall, the campaign successfully enhanced the community’s understanding of cyber threats and encouraged them to stay vigilant while using digital technologies.

Impact of the Society:

The “Cyber Crime Awareness” door-to-door campaign made a positive impact on society by empowering the villagers of Atmakuru with essential knowledge to protect themselves in the digital world. The initiative fostered a culture of digital responsibility and security awareness among the community members. As a result, people became more cautious while performing online transactions and interacting on social media. The campaign also encouraged collective vigilance, motivating individuals to guide others about safe internet practices, thereby contributing to building a safer and more informed digital society.
