A report on to provide “AWARENESS ON INFECTIONS & MALNUTRITION” door to door Campaign 26/11/2025 at Chirravuru Village

Awareness on Infection and malnutrition

**DATE : 26/11/2025
CHIRRAVURU**

Details of the Event:

Date of the Event	:	26-11-2025
Name of the Event	:	To provide Awareness on Infections & Malnutrition
No. of Hours	:	10:30 AM To 12: 30 PM
Venue of the Event	:	KLEF
No. of Participants	:	Students: 82, Faculty: 03
No. of Beneficiaries	:	384

Description of the Event:

KLEF-CEA, in association with the Department of Pharmacy, jointly organized a door-to-door campaign on 26/11/2025 at Chirravuru Village to provide awareness on infections and malnutrition. During the campaign, volunteers interacted with households, educating them about common infections, their prevention, hygienic practices, and the importance of maintaining a nutritious diet for overall well-being. The team also highlighted early symptoms of malnutrition, the need for timely medical attention, and simple, affordable dietary practices that families can adopt. This initiative aimed to empower the community with essential health knowledge and promote healthier living habits.

Objectives:

- To educate the community about common infections, their causes, symptoms, and preventive measures.
- To promote awareness on maintaining personal hygiene and sanitation to reduce infection risks.
- To inform households about the importance of balanced nutrition for children, adults, and elderly people.
- To identify early signs of malnutrition and encourage timely medical consultation.
- To motivate families to adopt healthy lifestyle practices for long-term well-being.
- To strengthen community understanding of basic healthcare practices and preventive health measures.

Outcome:

The door-to-door campaign on “To Provide Awareness on Infections & Malnutrition,” organized by KLEF-CEA in association with the Department of Pharmacy, resulted in a positive community response, with households actively engaging in discussions about health and hygiene. Villagers gained a clearer understanding of common infections, their prevention, and the importance of maintaining a clean environment. The campaign also enhanced awareness about balanced nutrition, early detection of malnutrition, and

simple dietary practices that can improve overall health. Through personalized interactions, the initiative helped families recognize practical steps to safeguard their well-being, ultimately contributing to improved health consciousness within the village.

Impact of the Society:

The campaign created a meaningful impact on the society by strengthening health awareness among the residents of Chirravuru Village, encouraging them to adopt preventive measures against infections and prioritize nutritious food habits. The initiative inspired families to maintain better hygiene practices, understand the importance of early medical attention, and make informed decisions about their health. As a result, the community became more proactive in addressing health-related challenges, fostering a healthier and more informed environment. The sustained awareness generated by the campaign is expected to contribute to long-term improvements in public health and overall community well-being.
