A report on “SMART STUDENTS IN A DIGITAL WORLD: RIGHT USE OF AI AND SOCIAL MEDIA” 15/12/2025 at Z.P. High School, Vaddeswaram Village

Details of the Event:

Date of the Event	:	15-12-2025
Name of the Event	:	Smart Students in a Digital World: Right Use of AI and Social Media
No. of Hours	:	01:30 PM To 04: 30 PM
Venue of the Event	:	Z.P. High School, Vaddeswaram Village
No. of Participants	:	Students: 87, Faculty: 02
No. of Beneficiaries	:	396

Description of the Event:

KLEF-CEA in collaboration with Focus Club jointly organised the programme “Smart Students in a Digital World: Right Use of AI and Social Media” on 15/12/2025 at Z.P. High School, Vaddeswaram Village. The event was conducted to create awareness among school students about the responsible and ethical use of Artificial Intelligence and social media platforms in their daily lives. Resource persons explained how digital tools and AI can support learning, creativity, and problem-solving while also highlighting the risks of misuse, excessive screen time, misinformation, and online safety concerns. Through interactive sessions, real-life examples, and simple demonstrations, students were guided on maintaining digital discipline, protecting personal data, and using technology positively for academic growth and personal development. The programme encouraged students to become smart, informed, and responsible digital citizens in today’s technology-driven world.

Objectives:

- ✚ To create awareness among students about the responsible and ethical use of Artificial Intelligence and social media.
- ✚ To educate students on the positive role of AI and digital tools in learning and skill development.
- ✚ To sensitize students about online safety, privacy protection, and the risks of misinformation.
- ✚ To promote balanced and disciplined use of social media for academic and personal growth.
- ✚ To encourage students to become smart, informed, and responsible digital citizens.

Outcome:

The programme “Smart Students in a Digital World: Right Use of AI and Social Media”, jointly organised by KLEF-CEA and Focus on 15/12/2025 at Z.P. High School, Vaddeswaram Village, resulted in increased awareness among students about the safe, ethical, and purposeful use of AI and social media. Students gained a clear understanding of how digital tools and AI can enhance learning when used responsibly, while also becoming conscious of the risks associated with misuse, excessive screen time, and online threats. The interactive discussions helped students develop critical thinking skills, encouraged positive digital behavior, and motivated them to use technology for academic improvement and personal development. Overall, the event successfully empowered students to make informed decisions and adopt responsible digital practices in their daily lives.

Impact of the Society:

The programme “Smart Students in a Digital World: Right Use of AI and Social Media” had a positive impact on society by promoting digital awareness and responsible technology usage among young students. By educating students on the ethical use of AI, safe social media practices, and digital discipline, the programme helped build a foundation for a more informed and responsible generation. Students carried this knowledge to their families and peers, spreading awareness about online safety, privacy, and the constructive use of technology. This initiative contributed to reducing the negative effects of digital misuse and encouraged the community to embrace technology as a tool for learning, innovation, and social well-being.
