Venue of the Event	:	Z.P. High School, Peda Konduru Village
No. of Participants	:	Students: 84, Faculty: 02
No. of Beneficiaries	:	381

**Description of the Event:**

KLEF-CEA & the Department of CSE in association with Aparaya and the SOCC Club, jointly organised the “Tech Buzz” event on 31/12/2025 at Z.P. High School, Peda Konduru Village with the aim of creating technological awareness among school students. The programme featured interactive sessions, live demonstrations, and basic hands-on activities on emerging technologies, computer fundamentals, and digital safety. Faculty members and student volunteers actively engaged the participants by explaining concepts in a simple and practical manner, encouraging curiosity and innovation. The event successfully motivated students to explore technology, enhanced their digital knowledge, and inspired them to develop interest in science and computer education.

**Objectives:**

- ❖ To create awareness among school students about the importance of technology in daily life and future careers.
- ❖ To introduce basic concepts of computers and emerging technologies in a simple and engaging manner.
- ❖ To encourage curiosity, creativity, and innovation among students through interactive learning.
- ❖ To bridge the digital knowledge gap between rural and urban students.
- ❖ To motivate students to pursue education in science, technology, and computer-related fields.

**Outcome:**

The “Tech Buzz” event conducted at Z.P. High School, Peda Konduru Village resulted in a positive and meaningful learning experience for the students. Participants gained basic knowledge of computers and emerging technologies, improving their understanding of how technology can be applied in education and everyday life. The interactive sessions increased student engagement, boosted confidence in using digital tools, and sparked curiosity

toward science and technology. The programme also strengthened the connection between the institution and the local community, leaving students motivated to explore further learning opportunities in the field of technology.

### Impact of the Society:

The “Tech Buzz” event at Z.P. High School, Peda Konduru Village had a significant positive impact on society by promoting digital awareness and technological inclusion among rural students. By exposing young learners to basic computer knowledge and emerging technologies, the programme helped reduce the digital divide and empowered students with essential skills for the modern world. The initiative also encouraged parents and the local community to recognize the importance of technology-driven education, fostering a culture that values learning, innovation, and social development. Overall, the event contributed to the long-term educational and socio-economic growth of the village by inspiring students to aspire toward technology-oriented careers.
