### **A report on “MOBILE ADDICTION” 27/01/2026 at Z.P. High School, Peda Konduru Village**

#### **Details of the Event:**

Date of the Event	:	27-01-2026
Name of the Event	:	Mobile Addiction
No. of Hours	:	01:30 PM To 04: 30 PM
Venue of the Event	:	Z.P. High School, Peda Konduru Village
No. of Participants	:	Students: 84, Faculty: 03
No. of Beneficiaries	:	428

**Description of the Event:**

KLEF–Centre for Extension Activities (CEA), in association with the Department of CSIT, jointly organised an awareness programme on “Mobile Addiction” on 27/01/2026 at Z.P. High School, Peda Konduru Village. The programme aimed to educate school students about the increasing dependence on mobile phones and its negative impact on health, academics, and social behaviour. Resource persons explained the concept of mobile addiction in a simple and interactive manner, highlighting issues such as reduced concentration, sleep problems, and lack of physical activity. Students were encouraged to adopt healthy digital habits, balance screen time with studies and outdoor activities, and use mobile technology responsibly. Active participation from students made the programme effective and impactful.

**Objectives:**

- To create awareness among school students about mobile addiction and its harmful effects on physical, mental, and academic development.
- To educate students on the importance of balanced and responsible use of mobile phones.
- To encourage healthy habits such as outdoor activities, reading, and face-to-face social interaction instead of excessive screen time.
- To guide students in improving concentration, time management, and self-discipline by reducing mobile dependency.

**Outcome:**

The “Mobile Addiction” awareness programme conducted at Z.P. High School, Peda Konduru Village resulted in increased awareness among students about the negative effects of excessive mobile phone usage. Students gained a clear understanding of how mobile addiction can affect their health, studies, and social behaviour. The interactive session motivated students to consciously reduce screen time and adopt healthier daily routines. As an outcome of the programme, students showed a positive attitude towards responsible

use of mobile phones, improved focus on academics, and greater interest in physical and co-curricular activities.

### Impact of the Society:

The “Mobile Addiction” awareness programme at Z.P. High School, Peda Konduru Village created a positive impact on society by spreading awareness about the responsible use of mobile phones beyond the school environment. Students acted as messengers of change by sharing the learned concepts with their parents and peers, encouraging reduced screen time and healthier lifestyle practices at home. The programme helped sensitize the local community to the importance of digital balance, improved family interaction, and better academic focus among children. Overall, it contributed to building a more aware and disciplined society with a healthier approach towards technology usage.
