### **A report on “BALA VIKASAM” 28/01/2026 at Vijetha High School, Pedavadlapudi Village**

#### **Details of the Event:**

Date of the Event	:	28-01-2026
Name of the Event	:	Bala Vikasam
No. of Hours	:	01:30 PM To 04: 30 PM
Venue of the Event	:	Vijetha High School, Pedavadlapudi Village
No. of Participants	:	Students: 82, Faculty: 02
No. of Beneficiaries	:	256

**Description of the Event:**

KLEF-CEA organised the “Bala Vikasam (Good Touch & Bad Touch)” programme on 28/01/2021 at Vijetha High School, Pedavadlapudi Village with the aim of creating awareness among school children about personal safety and self-protection. The programme was conducted in an age-appropriate and interactive manner, where resource persons explained the concepts of good touch and bad touch using simple language, real-life examples, charts, and activities. Students were encouraged to express their thoughts and ask questions freely, helping them understand the importance of body safety, trusting their instincts, and reporting uncomfortable situations to parents, teachers, or trusted adults. The session helped build confidence among students and promoted a safe, supportive, and informed school environment.

**Objectives:**

- ❖ To create awareness among students about personal safety and body boundaries in a child-friendly manner.
- ❖ To help children understand the difference between good touch, bad touch, and unsafe situations.
- ❖ To encourage students to speak up and seek help from parents, teachers, or trusted adults when they feel uncomfortable.
- ❖ To build self-confidence and decision-making skills in children to protect themselves.
- ❖ To promote a safe and supportive school environment through awareness and education.

**Outcome:**

The “Bala Vikasam (Good Touch & Bad Touch)” programme at Vijetha High School, Pedavadlapudi Village resulted in increased awareness and understanding among students about personal safety and body boundaries. The children were able to clearly recognize safe and unsafe situations and learned the importance of trusting their feelings and communicating openly with parents, teachers, or other trusted adults. The interactive nature of the session helped students feel more confident, attentive, and willing to ask

questions without fear. Overall, the programme successfully empowered students with essential knowledge and strengthened their ability to protect themselves, contributing to a safer and more supportive school atmosphere.

### Impact of the Society:

The “Bala Vikasam (Good Touch & Bad Touch)” programme conducted at Vijetha High School, Pedavadlapudi Village had a positive impact on society by fostering awareness about child safety and personal boundaries at the grassroots level. By educating students at a young age, the programme helped create a more informed and vigilant community where children feel empowered to speak up and seek support. The awareness gained by students is likely to extend to their families and peers, encouraging open discussions about safety and protection. Overall, the programme contributed to building a safer, more responsible, and sensitive society that prioritizes the well-being and protection of children.
