Description of the Event:

KLEF–Centre for Extension Activities (CEA) organized a “Menstrual Hygiene” awareness program on 28/01/2026 at Vijetha High School, Pedavadlapudi Village. The event aimed to educate adolescent girls about the importance of menstrual hygiene, breaking myths and taboos associated with menstruation. Resource persons conducted interactive sessions explaining proper sanitary practices, personal care, and the use of safe menstrual products. The program also encouraged open discussion, allowing students to clarify doubts and gain practical knowledge to maintain health and confidence during menstruation.

Objectives:

- ❖ To create awareness among adolescent girls about the importance of maintaining proper menstrual hygiene.
- ❖ To educate students on safe and effective menstrual practices, including the use of sanitary products.
- ❖ To break myths, misconceptions, and social taboos related to menstruation.
- ❖ To promote overall health, hygiene, and confidence among girls during their menstrual cycle.
- ❖ To encourage open discussion and provide a supportive environment for students to ask questions and clarify doubts.

Outcome:

The “Menstrual Hygiene” program conducted on 28/01/2026 at Vijetha High School, Pedavadlapudi Village successfully increased awareness among the students about proper menstrual practices and personal hygiene. Participants gained practical knowledge about using safe sanitary products, maintaining cleanliness, and managing menstruation confidently. The interactive session helped break myths and social taboos surrounding menstruation, empowering girls to discuss their concerns openly. Overall, the event contributed to fostering a healthy and supportive environment for adolescent girls in the school and the community.

Impact of the Society:

The “Menstrual Hygiene” program at Vijetha High School, Pedavadlapudi Village had a positive impact on the local community by promoting awareness about adolescent health and hygiene. It helped reduce stigma and misconceptions around menstruation, encouraging girls and their families to adopt safer and healthier practices. By empowering students with knowledge and confidence, the program contributed to creating a supportive environment that prioritizes women’s health and well-being, which can lead to long-term improvements in school attendance, personal hygiene habits, and overall community health standards.
