### **A report on “CYBER ATTACKS” door to door Campaign** **28/01/2026 at Pedavadlapudi Village**

#### **Details of the Event:**

Date of the Event	:	28-01-2026
Name of the Event	:	Cyber Attacks
No. of Hours	:	01:30 PM To 04: 30 PM
Venue of the Event	:	Pedavadlapudi Village
No. of Participants	:	Students: 82, Faculty: 02
No. of Beneficiaries	:	1283

**Description of the Event:**

KLEF–Centre for Extension Activities (CEA) organized a “CYBER ATTACKS” awareness door-to-door campaign on 28/01/2021 at Pedavadlapudi Village. The programme aimed to educate villagers about the growing threats of cybercrime, including phishing, online frauds, and identity theft, and to promote safe online practices. Volunteers interacted directly with residents, demonstrating simple steps to protect personal information, secure devices, and recognize suspicious online activity. The campaign successfully raised awareness among the community, emphasizing the importance of cyber security in daily life.

**Objectives:**

- To create awareness among villagers about different types of cyber threats, including phishing, hacking, and online frauds.
- To educate the community on safe online practices and how to protect personal information and digital devices.
- To encourage responsible and cautious use of the internet and social media platforms.
- To empower villagers to identify and report suspicious online activities, reducing the risk of cybercrime in the community.
- To promote a culture of cyber security hygiene and digital safety in daily life.

**Outcome:**

The “CYBER ATTACKS” door-to-door campaign at Pedavadlapudi Village successfully increased awareness among the residents about the risks associated with cybercrime and unsafe online practices. Villagers learned practical steps to protect their personal information, secure devices, and recognize potential online threats. The interactive discussions and demonstrations encouraged the community to adopt safer internet habits and remain vigilant against cyber attacks. Overall, the campaign strengthened digital literacy in the village and empowered residents to navigate the online world more safely and confidently.

## Impact of the Society:

The “CYBER ATTACKS” door-to-door campaign at Pedavadlapudi Village had a significant positive impact on the society by promoting a culture of digital awareness and safety. Residents became more conscious of the dangers of cybercrime and the importance of protecting their personal information online. This awareness reduced the vulnerability of the community to online frauds and scams, fostering a safer digital environment. Additionally, the campaign encouraged responsible internet usage, strengthened trust in technology, and empowered villagers to educate others, creating a ripple effect of cyber security consciousness throughout the society.
