Description of the Event:

The KLEF–Centre for Extension Activities (CEA) organised an “Industrial Visit” on 13/02/2026 for the students of Z.P. High School, Vaddeswaram, at Koneru Lakshmaiah Education Foundation (KLEF). The visit aimed to provide practical exposure and create awareness about higher education, industry–academia collaboration, and modern technological advancements. The students were welcomed by the faculty and volunteers, who guided them through various laboratories, departments, and innovation facilities on the campus. During the interaction sessions, students gained insights into different academic programs, career opportunities, and the importance of skill development. The programme served as a motivational platform, inspiring young minds to pursue higher education and develop a clear vision for their future careers.

Objectives:

- ✚ To provide practical exposure to students by visiting the campus of Koneru Lakshmaiah Education Foundation (KLEF).
- ✚ To create awareness about higher education opportunities and various academic programs.
- ✚ To familiarize students with modern laboratories, research facilities, and technological advancements.
- ✚ To bridge the gap between school education and professional courses.
- ✚ To motivate students to set clear career goals and pursue higher studies.
- ✚ To enhance students’ understanding of industry–academia collaboration and skill development.

Outcome:

The “Industrial Visit” organized for the students of Z.P. High School, Vaddeswaram at Koneru Lakshmaiah Education Foundation (KLEF) resulted in a highly enriching and informative experience. The students gained practical exposure to modern laboratories, advanced technologies, and various academic departments, which broadened their understanding of higher education and career opportunities. The interaction with faculty

members and student volunteers enhanced their confidence and clarified their academic aspirations. Overall, the visit created awareness about professional courses, motivated students to pursue higher studies, and strengthened their interest in skill development and future career planning.

Impact of the Society:

The “Industrial Visit” organized for the students of Z.P. High School, Vaddeswaram at Koneru Lakshmaiah Education Foundation (KLEF) had a positive impact on society by promoting awareness about higher education and career opportunities among rural school students. The event helped bridge the gap between school-level education and professional institutions, encouraging students from diverse backgrounds to aspire for quality higher education. By motivating young minds towards skill development and technological learning, the programme contributed to building an informed, confident, and career-oriented generation, thereby supporting long-term social and educational development in the community.
