Venue of the Event	:	Z.P. High School, Tadepalli
No. of Participants	:	Students: 75, Faculty: 02
No. of Beneficiaries	:	236

**Description of the Event:**

KLEF – Centre for Extension Activities (CEA) in association with the Department of IOT jointly organised a “Career Guidance” programme on 16/02/2026 at Z.P. High School, Tadepalli Village. The session aimed to create awareness among students about various career opportunities available after SSC and Intermediate, especially in the fields of computer applications, technology, and higher education. Faculty members interacted with students, explained different academic streams, entrance examinations, skill development courses, and the importance of goal setting and time management. The programme encouraged students to identify their interests and strengths while motivating them to pursue higher studies with confidence and clarity.

**Objectives:**

- ✚ To create awareness among students about various career options available after SSC and Intermediate education.
- ✚ To provide guidance on different academic streams such as Science, Commerce, Arts, and Computer Applications.
- ✚ To inform students about entrance examinations, professional courses, and skill development programmes.
- ✚ To help students identify their interests, strengths, and career goals.
- ✚ To motivate students to pursue higher education with confidence and proper planning.
- ✚ To emphasize the importance of time management, communication skills, and continuous learning for career success.

**Outcome:**

The “Career Guidance” programme conducted by KLEF Deemed to be University – Centre for Extension Activities (CEA) in association with the Department of BCA at Z.P. High School, Tadepalli Village resulted in increased awareness among students about various career opportunities and educational pathways available after their current level of study. Students gained clarity on different academic streams, professional courses, and entrance

examinations, which helped them better understand the steps required to achieve their career goals. The interactive session boosted their confidence, motivated them to pursue higher education, and encouraged them to plan their future with a clear vision and informed decision-making.

### Impact of the Society:

The “Career Guidance” programme organised by KLEF Deemed to be University – Centre for Extension Activities (CEA) in association with the Department of BCA at Z.P. High School, Tadepalli Village created a positive impact on society by promoting awareness about higher education and diverse career opportunities among rural students. The initiative helped bridge the information gap between urban and rural communities, enabling students and their families to make informed academic and career decisions. By motivating young learners to pursue skill development and professional courses, the programme contributed to building a knowledgeable and empowered generation, thereby supporting long-term social and economic development in the community.
