### **A report on “CYBER SECURITY” 20/02/2026 at S.S. Talent High School, Mangalagiri**

The poster features a central image of a hooded figure sitting at a laptop, surrounded by glowing blue circuitry and data lines. At the top left is the KLEF logo with the text '(DEEMED TO BE UNIVERSITY)'. At the top right is the CEA logo with the text 'CEA | CELEBRATING 100 YEARS'. The main title 'Awareness on Cyber Security' is prominently displayed in the center. Below the image, the date 'Date : 20-02-2026' and location 'Mangalagiri' are listed. At the bottom, there are social media icons for YouTube, Facebook, Twitter, and Instagram, followed by the handle '/klfcea'.

#### **Details of the Event:**

Date of the Event	:	20-02-2026
Name of the Event	:	Cyber Security
No. of Hours	:	01:30 PM To 04: 30 PM
Venue of the Event	:	S.S. Talent High School, Mangalagiri
No. of Participants	:	Students: 75, Faculty: 03
No. of Beneficiaries	:	481

**Description of the Event:**

KLEF–Centre for Extension Activities (CEA), in association with the Department of IRD, jointly organised a “Cyber Security” awareness programme on 20/02/2026 at S.S. Talent High School, Mangalagiri. The programme aimed to educate students about the importance of online safety, safe internet practices, password protection, cyber threats, social media awareness, and preventive measures against cybercrimes. Resource persons explained real-life examples of cyber frauds and guided students on how to respond responsibly in digital environments. The session was interactive, encouraging students to clarify their doubts and understand the significance of being vigilant and responsible digital citizens.

**Objectives:**

- To create awareness among students about the importance of cyber security in daily digital activities.
- To educate students on safe internet practices, including secure password creation and protection of personal information.
- To inform students about common cyber threats such as phishing, hacking, online fraud, and social media misuse.
- To guide students on responsible usage of social media and digital platforms.
- To encourage students to report cybercrimes and understand basic preventive measures.
- To promote responsible digital citizenship and ethical online behavior.

**Outcome:**

The “Cyber Security” programme conducted at S.S. Talent High School resulted in increased awareness among students about online safety and responsible digital behavior. Participants gained practical knowledge on identifying cyber threats such as phishing, hacking, and online fraud, and understood the importance of safeguarding personal information and using strong passwords. The interactive session helped clarify students’

doubts and encouraged them to adopt safe internet practices in their daily lives, thereby promoting a more secure and vigilant digital community within the school.

### **Impact of the Society:**

The “Cyber Security” programme at S.S. Talent High School created a positive impact on society by promoting awareness about safe and responsible use of digital platforms among young students. As students shared the knowledge gained with their families and peers, it contributed to building a more informed and vigilant community against cybercrimes such as online fraud and social media misuse. The programme encouraged responsible digital citizenship, reduced the risk of cyber threats at the grassroots level, and strengthened community understanding of the importance of cyber security in everyday life.
