### **A report on “AWARENESS ON FIRE SAFETY”** **14/03/2026 at China Kakani Village**

#### **Details of the Event:**

Date of the Event	:	14-03-2026
Name of the Event	:	Awareness on Fire Safety
No. of Hours	:	09:30 AM To 12: 30 PM
Venue of the Event	:	China Kakani Village
No. of Participants	:	Students: 89, Faculty: 02
No. of Beneficiaries	:	384

**Description of the Event:**

The KLEF Centre for Extension Activities (CEA) in association with the Department of Bio Technology jointly organised a door-to-door campaign on “Awareness on Fire Safety” on 14/03/2026 at China Kakani Village. The campaign aimed to educate villagers about basic fire safety practices, prevention methods, and the importance of being cautious while using electrical appliances, gas stoves, and other flammable materials at home. Volunteers and students visited households, interacted with residents, and explained simple precautionary measures to prevent fire accidents. Pamphlets containing essential fire safety tips and emergency response guidelines were distributed to create awareness among the community. The initiative helped villagers understand the importance of preparedness and safety measures to protect lives and property from fire hazards.

**Objectives:**

- ✚ To create awareness among villagers about common causes of fire accidents in homes and surroundings.
- ✚ To educate the community on basic fire prevention measures and safe use of electrical appliances and cooking gas.
- ✚ To inform residents about simple emergency response steps to follow during a fire accident.
- ✚ To encourage people to adopt safe practices to protect lives, property, and the environment from fire hazards.
- ✚ To promote community responsibility and preparedness in handling fire-related emergencies.

**Outcome:**

The “Awareness on Fire Safety” campaign conducted at Thummapudi Village by KLEF Centre for Extension Activities (CEA) in association with the Department of Bio Technology resulted in increased awareness among villagers about the importance of fire safety and preventive measures. Residents gained knowledge about common causes of fire accidents, safe handling of electrical appliances and LPG gas cylinders, and the immediate steps to

take during fire emergencies. The door-to-door interaction helped clarify doubts and encouraged families to adopt safer practices at home. Overall, the campaign successfully educated the community and motivated them to remain alert and prepared to prevent fire-related hazards.

### Impact of the Society:

The “Awareness on Fire Safety” campaign conducted at Thummapudi Village by KLEF Centre for Extension Activities (CEA) in association with the Department of Bio Technology created a positive impact on society by encouraging villagers to adopt safer practices in their daily lives. The campaign helped people understand the importance of fire prevention, careful use of electrical equipment, and safe handling of cooking gas and other flammable materials. As a result, community members became more cautious and responsible in preventing fire accidents at home and in public places. The initiative also promoted collective awareness and preparedness, contributing to a safer and more responsible community environment.
